

ALLOS STARS AND GALAXIES  
MR. LUBELL  
FILM PROJECT GRADING OUTLINE

This project will be graded on a scale of 1-20 based on the following distribution:

- A. Content
  - 1. Discussion of the main character's relationship with the Universe (5 points)
  - 2. Illustrations of how the relationship was portrayed (2 points)
  - 3. Discussion of how you can relate to the character (5 points)
  - 4. Discussion of how the public can relate (2 points)
  - 5. Discussion of how the film serves astronomy and related fields (3 points)
- B. Style
  - 1. Was the paper put together in a coherent manner? (1 point)
  - 2. Overall writing quality (spelling, grammar, etc.) (2 points)
- C. Other
  - 1. Papers discussing films other than those on the list will have 4 points deducted without exception
  - 2. Papers that are not stapled will have 1 point deducted without exception
  - 3. If a paper fails to meet the minimum size requirement as judged by the instructor, appropriate deductions will be made
  - 4. The instructor reserves the right to subtract or add additional points based on content at will.
